WD A 1789—GPB—60,000—20-8-18—S.

No. 8228 Office of the Inspector General of Police in Mysore,
602
Ex-4

Dated Bangalore, 19th May 1919.

Police 194-18-1

From

A. Subramanya Iyer Esqr., B.A.,
Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer Esqr., B.A
Chief Secretary to the Government
of His Highness the Maharaja of Mysore.

Sir,

I have the honor to submit the following report on the working of the Mysore Arms Regulation and the Rules framed thereunder for the calendar year 1918.

2. The appended statement No.I shows the total number and the description of licenses issued under the various forms. It will be seen from it that 18,426 licenses were issued during the year against 18,183 in 1917, showing a net increase of 243 licenses as detailed below--

District	Increase	Decrease.
1. Bangalore	-	226
2. Kolar	148	-
3. Tumkur	94	-
4. Mysore	-	472
5. Hassan	38	-
6. Shimoga	571	-
7. Kadur	41	-
8. Chitaldrug	49	-
Total	941	698

Net increase 243.

There has been an increase in all the Districts except Mysore and Bangalore. The District Magistrate, Bangalore, reports that the decrease is due to greater scrutiny and discretion used in the grant

4

of fresh licenses and renewals of old ones. The District Magistrate of the Mysore District, ~~who has been asked to account for the considerable decrease in his District, has not yet reported that the decrease is due to the non-receipt of applications for renewal in time.~~ has yet reported that the decrease is due to the non-receipt of applications for renewal in time. This information will on receipt be immediately reported to Government.

The increase in the Shimoga District is marked which the District Magistrate attributes as due to licensees having applied for the renewal of old licenses more punctually and regularly during the year than in the previous years. The Provincial increase is normal and does not call for any remakks.

3. Statement No.II shows the number of linensed dealers in sulphur, manufacture of fire-works and ~~xxxxxx~~ medicines during the year was 92 or 3 less than in the previous year. The quantity of sulphur on hand with the dealers at the beginning of the year was 5 tons, 4 cwts, 2 qrs, and 10 5/12 lbs or 17 cwts, 1 qr, and 17 7/10 lbs less than the closing balance on the last day of December 1917. This deficiency is due to the exclusion of the balance of sulphur which was with some of the licensed dealers who died and of others who did not transact business during the year.

4. State No.III, shows the number of shops licensed in Forms II and III and the results of their inspection by the Police and the Magistracy. The total number of shops for which licenses were issued during the year was 112 against 111 in the previous year. 86 of these were inspected either by the Police or by the Magistracy. Of the remaining 26 shops which were ~~left~~ left uninspected, 10 could not be inspected as the licenses did not transact business and had closed their shops Police Inspectors inspected 60 shops, Superintendents of Police 49 and Magistrates 43. The Superintendents of Bangalore and Hassan inspected all the shops in their Districts, while those of Kadur and Shimoga left a large number uninspected viz., 21 out of 23 and 16 out of 18 respectively. This is not satisfactory

2

5. 8 cases involving 8 persons were prosecuted for violation of the provisions of the Regulation of which 7 cases involving 7 persons ended in conviction, and the remaining one case involvi one person was awaiting trial at the end of the year.

Of the 7 cases involving 7 persons, which were pending at the close of the year previous, 3 ended in conviction, 2 in acquittal or discharge and one which was pending at the close of ~~1918.~~ 1917 ended in conviction during the year 1918. ~~Information regarding the disposal of the other case relating to the Mysore District and pertaining to the year 1917 was called for but has not been received from the District Magistrate which will be communicated immediately on receipt.~~

6. It is reported that 14 guns (6 in Bangalore and 8 in Shimoga were manufactured during the year and that no ammunition was manuf factured anywhere in the State.

7. I regret the delay in the submission of this report, which was unavoidable, as reports and information in regard to omissions and discrepancies were not received in time from some of the Districts.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Inspector General of Police.

ANNEXURE.

No. 8228-602, dated Bangalore 19—20th May 1919, from A. Subramanya Iyer, Esq., B.A., Officiating Inspector-General of Police in Mysore, to C. S. Balasundaram Iyer, Esq., B. A., Chief Secretary to the Government of His Highness the Maharaja of Mysore.

I have the honor to submit the following report on the working of the Mysore Arms Regulation and the Rules framed thereunder for the calendar year 1918.

2. The appended statement No. I shows the total number and the description of licenses issued under the various forms. It will be seen from it that 18,426 licenses were issued during the year against 18,183 in 1917, showing a net increase of 243 licenses as detailed below:—

District	Increase.	Decrease.
1. Bangalore	..	.. 226
2. Kolar	148	.. ..
3. Tumkur	94	.. ..
4. Mysore	..	... 472
5. Hassan	38	.. ..
6. Shimoga	571	.. ..
7. Kadur	41	.. ..
8. Chitaldrug	49	.. ..
Total ..	941	.. 698

Net increase .. 243.

There has been an increase in all the districts except Mysore and Bangalore. The District Magistrate, Bangalore, reports that the decrease is due to greater scrutiny and discretion used in the grant of fresh licenses and renewals of old ones. The District Magistrate of the Mysore District, reports that the decrease is due to the non-receipt of applications for renewal in time.

The increase in the Shimoga District is marked which the District Magistrate attributes as due to licensees having applied for the renewal of old licenses more punctually and regularly during the year than in the previous years. The Provincial increase is normal and does not call for any remarks.

No. G.-28407-15—Pol. 194-18-3, dated 23rd June 1919.

3. Statement No. II shows the number of licensed dealers in sulphur, manufacturer of fire-works and medicines during the year was 92 or 3 less than in the previous year. The quantity of sulphur on hand with the dealers at the beginning of the year was 5 tons, 4 cwts. 2 qrs. and $10\frac{5}{2}$lbs. or 17 cwts. 1 qr. and $17\frac{7}{10}$lbs. less than the closing balance on the last day of December 1917. This deficiency is due to the exclusion of the balance of sulphur which was with some of the licensed dealers who died and of others who did not transact business during the year.

4. Statement No. III shows the number of shops licensed in Forms II and III and the results of their inspection by the Police and the Magistracy. The total number of shops for which licenses were issued during the year was 112 against 111 in the previous year. Eighty-six of these were inspected either by the Police or by the Magistracy. Of the remaining 26 shops which were left uninspected, 10 could not be inspected as the licensees did not transact business and had closed their shops. Police Inspectors inspected 60 shops, Superintendents of Police 49 and Magistrates 43. The Superintendents of Bangalore and Hassan inspected all the shops in their districts, while those of Kadur and Shimoga left a large number uninspected, *viz.*, 21 out of 23 and 16 out of 18 respectively. This is not satisfactory.

5. Eight cases involving 8 persons were prosecuted for violation of the provisions of the Regulation, of which 7 cases involving 7 persons ended in conviction and the remaining one case involving one person was awaiting trial at the end of the year.

Of the 7 cases involving 7 persons, which were pending at the close of the year previous, 3 ended in conviction, 2 in acquittal or discharge, and one which was pending at the close of 1917 ended in conviction during the year 1918.

6. It is reported that 14 guns (6 in Bangalore and 8 in Shimoga) were manufactured during the year and that no ammunition was manufactured anywhere in the State.

7. I regret the delay in the submission of this report, which was unavoidable, as reports and information in regard to omissions and discrepancies were not received in time from some of the districts.
